Hello,

This letter is basically false and the owners know it. Here is the deal: The former owner of Cook's Kitchen let homeless drug addicts squat in the building. Kelly in our office spent time talking to the widow and she told Kelly that she had a terrible time getting them out. She had to bring in trash haulers to clear out the bldg. First Thursday has nothing to do with what has happened in that building. The squatters wrote on the building and we asked them to paint it out. When homeless are there, I call Harbor Interfaith.

I will speak on to Lorena on Monday and we will craft a formal response.

Hello ladies,

The Councilman received a letter from a business owner at 7th and Mesa Street, please find it attached.

One of the things are are complaining about it a damaged tree, in front of 412 W 7th Street, (diseased and split in half) which needs to be removed.

I know PBID maintains the trees, and this one is small. Would you be able to assist?

Please advise.

Thank you,
